Grayling, Michigan — October 5, 1967

Prevent Fires

Presidential proclamation, Fire Prevention Week will be observed October 8-14 this year. As a practical matter, we should all look upon prevention as a year around job.

In 1966, the nation's fire losses hit an all-time of nearly \$1.5 billion dollars, according to American Insurance Association. In 1966, 12,000 persons died as a result of fires, and countless thousands more were injured. Indications are that the 1967 totals are in, they will reflect an bleak picture.

Lawrence Jones, president of the American Insurance Association, says the rise in fire losses is a growing concern in business and industry circles, and that on all sides the consensus is more must be done in the fire prevention to reverse the upward trend.

Fire Prevention Week is an appropriate time to think about preventive measures . . . to reshape thinking in terms of taking greater care to prevent fires . . . to take inventory of our properties to eliminate potential fire hazards . . . and to

resolve to practice fire prevention actively and regularly in the future.

One place where every citizen can do his bit is in the home, checking electrical connections and appliances, heating and cooking equipment, or having them checked by a qualified service man. Fires in homes average more than 1,000 every day of the year, and cause a large portion of the total death toll.

Fire Prevention Week can and should be a meaningful occasion, one on which we should all dedicate ourselves to be more careful where fire, or the threat of fire is involved. We help ourselves, we safeguard our homes and places of business, when we do. We have everything to gain and nothing to lose.

Fires can be prevented, and we can do it!

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVANCE OF 23 YEARS AGO

Oct. 5, 1944

Grayling has bright, shiny, new citizens. Private and Mrs. Lacey Stephan are parents of a son, Lacey Don. The baby's daddy is in the Army Ordnance Division at Camp Bowie, Texas. A daughter was born to Mr. and Mrs. Albert Atkins of Gaylord, sons to Mr. and Mrs. Herbert Short of Grayling; to Mr. and Mrs. Ben Howard of Roscommon; and to Mr. and Mrs. Earl Lovely of Maple Forest. All babies were born at Mercy Hospital during the past week.

Arthur White, manager of the Coldwater Daily Reporter, and Harley Greenwich are spending a few days in Grayling and vicinity.

A number of our residents are improving their property. Kenneth Allen is adding a large kitchen to his home; C.S. Barber is adding a room to his house, where Mr. and Mrs. E. A. Crawford reside. The George Horton house has a new porch.

Mrs. Olga Boeson of Greentown, Indiana, is visiting Mr. and Mrs. Peter Madsen and other friends in Grayling.

Another old established business concern is changing ownership. Jesse Schoonover, owner of the Grayling Buick Sales and Service, has sold out to Melvin Marshall and Roy McEvers. The new owners will take over next Monday. Jesse who is one of the best known business men in Grayling, feels that the business has been quite strenuous on him for the past few years, and also that as he has worked ever since he was 16 years of age, he is entitled to a little easier life. He will continue in the bulk oil and gasoline business, which will be conducted from his home. Melvin Marshall and Roy McEvers are no strangers. Marshall is a mason by trade and is a good business manager, thrifty and industrious. McEvers is one of Grayling's outstanding automobile mechanics. For many years he serviced the county cars and trucks at the county garage. Later he was head mechanic at the Ford Garage. Each member of the new firm seems well fitted for such a business and it seems quite the ideal partnership.

Mrs. Alice Benson of Saginaw was re-elected president of the Ladies National League in the final day of its two day national convention held at the Wenonah Hotel, Bay City. Elected to serve with her were: Mrs. Theresa Cranley of Detroit, first vice-president; Mrs. May Worth of Pontiac, second vice-president; Mrs. Genevieve Bailey of Flint, treasurer; Mrs. Emma Knibbs of Grayling, chaplain; Mrs. Fern Feldhauser of Grayling, sentinel. Among those from Grayling who attended the convention were: Mrs. Rudolph Feldhauser, Mrs. Frank Serven, Mrs. John Stephan, Mrs. Paul Feldhauser, Mrs. Wellman Vallad, Mrs. Dewey Palmer, Mrs. Catherine Loskos, Mrs. Napoleon Van Natter.

Miss Beatrice Newberry of Flint graduated Sept. 22 from Hurley Hospital Nurses' Training School, and will continue her duties there. She is the daughter of Mr. and Mrs. Roy Newberry of Frederic.

Miss Joye Wells had as her guests over the weekend, Miss Mary Howell, Miss Joan Bishaw and Miss Lois Berry. The girls stayed in Joye's cabin, and all had a swell time.

Mr. and Mrs. Carl Hanson returned home Friday from a 10-day vacation, spent at Laurent Lodge, Iron Bridge, Ontario, Canada. They were accompanied by Mr. and Mrs. Harry Matts of Eldorado, and Mr. and Mrs. Gilbert Randall of Bay City.

Can you imagine the thrill that must have come to Bob Smock, serving in the Armed Forces in Australia, when he attended a movie of Grayling Winter Sports? He must have been proud of his home city and it wouldn't be surprising if every button on his coat snapped off. During their stay in Detroit Mr. and Mrs. Wilfred Laurent

were guests of honor at a dinner at Frankenthum Inn, which was attended by seven couples, all former residents of Grayling. Also the group took the opportunity to celebrate the birthdays of Mrs. Phil Renault and Walter Hemmingson, and after the dinner all were invited to the Hemmingson home in Highland Park for the remainder of the evening. Those present included the Howard Scarletts, John Hodges, Walter Hemmingson, Paul Ford, Phil Renault, Henry St. Henrys, E. R. Woodruffs and Curry Sheehy.

Mr. and Mrs. J.E. Strong of Flint were weekend guests of Mr. and Mrs. R. W. Strong and family.

Dr. C. G. Clippert left last Thursday for Detroit where he was joined by Mrs. Clippert, and they visited their daughter Billyann, who is a student at Kingswood.

Gov. Harry E. Kelly and Senator Homer Ferguson stopped in Grayling Sunday to take dinner at Hanson's Cafe. They were enroute to Marquette on a campaign tour.

Mr. and Mrs. Glen Penrod, Mr. and Mrs. Harold MacNeven and Mrs. Walter McClanahan returned Friday for a two weeks vacation spent at the Little Indian Hunting Club in the Upper Peninsula.

Mrs. Ben DeLaMater returned home Sunday after visiting her husband in Saginaw. They spent Sunday in Bay City with their daughter, Mrs. Leland Marshall.

Mr. and Mrs. George Leonard of Flint, have moved to Grayling to remain indefinitely. Leonard left Grayling in February of 1912, and went to work for General Motors Co., where he has worked ever since. He has now retired and they are living on the South Side, where they have owned a home for many years.

If some residents of the city wonder why their water was a muddy color Wednesday morning, it was because the city was

cutting into its new water main running south on Peninsular Ave., from Michigan. The city crew began work on the job Tuesday morning, and now it is nearly complete.

46 YEARS AGO —

Oct. 6, 1921

Joseph Nephew, age 38 years, filer for the Grayling Box Co., dropped dead near the office of the company at T-Town last night. Dr. D. M. Howell, Justice Fred Alexander and the Sheriff were immediately called to the scene, and it was found that Nephew died of a heart attack.

Mrs. Leo Langevin and Miss Elizabeth are entertaining Miss Luella Palmer of Lapeer, at Lake Margrethe.

Mrs. Ben Shore and daughter Mary Jane of Bay City, have come to Grayling for the winter, joining Shore who is assistant superintendent of the duPont plant.

Postmaster Holger F. Peterson expects to leave tonight to attend the national convention of postmasters to be held in Washington, D.C.

An event which has been looked forward to with interest by a circle of friends, was the wedding of Miss Frances Trudeau, oldest daughter of Mr. and Mrs. Anthony Trudeau, and Arthur J. Capstraw of Detroit, which took place in St. Mary's Church, Tuesday morning.

Prosecuting Attorney Fitch is investigating an election scandal that occurred during the spring township campaign. If there has been fraud, the people should know about it and the offenders be punished.

We have reason to believe that J.P. Jensen has the champion pumpkin of the season. It weighs 76 1/2 lb. is 19 inches long and measures 63 inches in circumference.

M.E.A. Regional Council Session

M.E.A. Regional Council, Region 14, held its first regular meeting of the current scholastic year on Wednesday, September 20th, at Schlang's Bavarian Inn in Gaylord. Fifty-five members of the council attended the meeting. The Executive Board met at 5:00 p.m. One of the first items of business was the election of a regional treasurer. Miss Judy Hooker of Petoskey was elected and duly bonded by action of the board.

Guidelines for the local, district, and regional committee chairmen were then drawn up. Each regional chairman will be expected to present both a written and oral report at each meeting of the Regional Council. At the next regular session, October 18th, a special meeting for Legislative Chairmen will be held under the direction of M.E.A. Field Representative, Maurine Wyatt of Traverse City.

The Executive Board then heard a final report on plans for the annual Fall Teachers' Conference, which is sponsored by the State Department of Education. This year's convention will be held in Petoskey on Oct. 5 and 6 with Mr. Harold Sponberg, President of Eastern Michigan University as the principal speaker at the general sessions. Special Elementary, Junior High, and Senior High Division meetings, as well as a number of professional meetings are on the agenda for the first day. Several luncheons are scheduled for Thursday noon. On Friday, the program is devoted for sectional meetings in various subject matter areas. The annual M.E.A.-N.E.A. Banquet is to be held on Thursday evening, October 5, at 8:00 p.m. The principal speaker at the banquet is Dr. Arnold Wolpert, Director of N.E.A. Urban Services, Washington, D.C.

Following dinner, the full council went into session. The first item on the agenda was a report from the Delegate to the N.E.A. Convention, Myrtle Gehrke of Alpena. The convention, which was held in Minneapolis, Minnesota, elected Elizabeth D. Koontz of Salisbury, North Carolina, as President-elect. She is the first Negro to be elected to this high office. The delegates voted to raise N.E.A. dues to \$15.00 for 1968-69. Vice President Hubert Humphrey addressed the national convention and urged the members to consider a twelve month school year. The final item of the N.E.A. delegate's report was a movie showing the highlights of the convention.

M.E.A. Field Representative Maurine Wyatt of Traverse City reported on the status of education in Michigan at the present time, analyzing the problems that faced negotiators throughout the state this past summer. She stated that a salary school, sponsored by the M.E.A., will be held at the Petoskey Junior High School cafeteria on October 11-18-25. This school is for teachers, administrators, board of education members, and interested lay people.

A Workshop for Professional Rights and Responsibility Chairmen is also scheduled for the Pauline Hotel, Grand Rapids, on October 13 and 14. The State M.E.A.-N.E.A. Banquet is to be held on Thursday evening, October 5, at 8:00 p.m. The principal speaker at the banquet is Dr. Arnold Wolpert, Director of N.E.A. Urban Services, Washington, D.C.

Annual Audit of City of Grayling

September 4, 1967

CITY OF GRAYLING, CRAWFORD COUNTY, MICHIGAN
TO THE HONORABLE MAYOR AND CITY COUNCIL

We have examined the fund balance sheets of the City of Grayling, Crawford County, Michigan, composed of the construction, trust and agency, general, cemetery, water and sewer operations, major streets, local streets, and debt service funds as of June 30, 1967, and the related statements of revenues and expenditures or cash receipts and disbursements for the year then ended. The accounting records of the city do not include general fixed assets. As the National Committee on Municipal Accounting points out, no useful purpose is accomplished by computing depreciation on assets of this sort, or showing the depreciated value or replacement values of municipal properties in the accounts or balance sheets of a municipality, since property values cannot be used as a basis for credit. Since the city as a whole is concerned with operating profit or loss only in the case of time and other self-supporting enterprises, fixed assets and related depreciation are shown only in these funds. No attempt was made to review amounts capitalized in these funds in prior years. In the course of our examination of completion of APW Project 39 G, it was noted that no federal contributed equity had been capitalized. Due to the fact that no segregation of fund equities had been made as to amounts invested, contributed or earned, we feel that the practicable solution is to accept total equity in a sum at June 30, 1966, and begin a segregation of fund equities at July 1, 1966. The comments contained in this report are therefore limited to the funds described above, specifically exclude general fixed assets.

Our examination was made in accordance with general accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. In an effort to more clearly define increases and decreases in fund equities for the current year, and to charge general fund for specific requirements, contributions from general fund to other funds were adjusted to meet specific requirements. The 1967-68 budget makes apparent the fact that unrealistic gains in other fund equities through excessive contributions from the general fund have not been considered in projecting requirements of subsequent years. Bonded debt has also been transferred from other funds to a debt service fund. Both these factors would have a direct effect upon comparability of current year statements with prior years.

Budget for 1967-68 is presented only for comparative purposes. We make no representations as to accuracy or contents of budgeted figures.

In our opinion, with the exceptions noted in the preceding paragraphs, the accompanying Balance Sheets, and Statements of Revenues and Expenditures or Cash Receipts and Disbursements, together with supporting schedules, fairly present the financial position of the City of Grayling, Crawford County, Michigan as of June 30, 1967, and the results of its operations for the year then ended.

Respectfully submitted, WILLIAM F. BROWN, C.P.A.

CORLEW COMPLETES COMBAT TRAINING
CAMP PENDLETON, CALIF.
(FHTNC) Sept. 18 — Marine Private First Class Michael P. Corlew, son of Mr. and Mrs. Dewey E. Corlew of 325 Evergreen Dr., Grayling, completed two weeks of training under simulated combat conditions in the fundamentals of day and night patrolling, employment of infantry weapons, survival methods and assault tactics at this Marine Corps base.

This individual combat training is given every Marine after his graduation from recruit training. Taught by combat experienced non-commissioned officers of the infantry training regiment here, it prepares the young Leatherneck to become part of the Marine air-ground combat team.

While in the field he was taught how to use hand grenades, a compass and the principals of map reading and land navigation. He learned how to detect and disarm mines and booby traps and, while being exposed to live machine gun fire, he learned to advance safely from one point to another.

From this course, he is scheduled to go on to more advanced training before being assigned to his permanent unit.

daughter Mary and husband Tom Robinson. A great surprise it was for Mrs. W. The cabin occupants found the weather beginning to get a bit chilly but the goose bumps problem was solved by the toasty warm fireplace. Tom and Mary chauffeured Grandma to Grayling and through many trails where she enjoyed Michigan's autumn show in living color. Says she, only in the forest of Michigan can one see the color extravaganza. Such nice pine air too.

Dan Canfield again regained his title as "King of the Hill" in the weekly bowling matches at Cherven Lanes in Roscommon by defeating Terry Dawson in the finals by a handicap total of 199-166. Canfield's actual score was 172. This is the second week in a row that Dawson and Canfield met in the finals. Rounding out the 8 finalists were Howard Gentry, Terry Dawson, Ben Garland, Byron Sisco, Pete Latushek, Ed Cherven, Lyle White and George Cousineau.

flight.

1. It permits the exact amount of horizontal bow movement to allow proper arrow clearance.

2. It coordinates vertical and horizontal bow movements to give consistent accuracy.

3. It creates a dynamically perfect limb balance in relation to horizontal and vertical movement.

Four new bows head the Bear Tournament Line of match-grade archery equipment. The two top-of-the-line bows are the redesigned Tamerlane HC-300 (300 is a perfect Professional Archers Association round score) and Tamerlane (with the Lady Tamerlane).

Speaking of the new Tamerlane HC-300, PAA champion archer "Gentleman Jim" Pickering said, "If a person ever tuned himself to the point of shooting as well as this bow can shoot, he'd make perfect scores every time."

The new name bows from Bear this year are the Temujin (the family name of Genghis Khan) and Tartar. In addition, Bear has made major design changes in three of its all-purpose bows, Bear Bobcat, Bear Tigercat and Bear Cub.

Despite the fact that bowyer Jeffery concentrated on improving the stability of the bows, speed has also been improved in all bows mentioned above. This means that arrows flying from Bear 1968 bows will travel farther, straighter, and more consistently than ever before.
